Applicant's 5/14/09 IDS has been received but has not been considered, since it was received after the mailing of a first action on the merits and is not accompanied by either the requisite certification under 37 CFR 1.97(e) or the fee in 37 CFR 1.17(p). See MPEP 609.04(b)II; 37 CFR 1.97. The IDS will not be considered until either the requisite certification or fee is received. Also, the publication date of all entries on the IDS is requested- this information was absent from the 5/14/09 IDS and is necessary for the IDS to be properly entered and considered. /END/
